

BIOTREXX 247 Antimicrobial

Active Ingredient: 3-(Trimethoxysilyl)propyl dimethyl octadecyl ammonium chloride 1.0%

Cas no.: 27668-52-6

Meet BIOTREXX 247™ Checkstand and Belt Antimicrobial Coating

Checkstand and Belt Complete Cleaning System ANTIMICROBIAL COATING

- The micro-organism is attracted to the treated surface and punctured by the long molecular "sword." This is a physical rupture of the cell membrane and stands ready to defend the surface from the risks of cross contamination
- Spray-on shopping carts, food handling areas, food packaging facilities and more!
- Wipe-dry with yellow lint-free microfiber cloth offering superior application and long-lasting wear
- **Biotrex™ 247** EPA Registered and FDA Approved antimicrobial technology

To reorder **Molchem™** products, please contact your checkstand supplier or call 1-800-729-2358 or on-line at www.molchemclean.com

Thank you for your business!
