

**Product: VIRUSOL™ DISINFECTANT COATING** -Longer Term Surface Protection

**Application Directions:** Apply by trigger spray or other low pressure spray system. Apply enough Virusol™ to just wet a non-porous, hard surface and allow to dry. For carpet or similar porous surfaces, apply until wet and allow to dry. The treated surface, once dry, is safe for daily human and pet contact.

**Proper Care and Use.** The use of Virusol™ does not replace standard infection control cleaning procedures and good hygienic practices. Whereas Virusol™ “Antimicrobial Treated” surfaces, will be protected between these standard hygienic practices. Health care facilities must maintain the treated surface in accordance with normal infection control guidelines; users should follow the normal infection control practices of environmental surfaces. Use gentle pressure (do not scrub) when cleaning treated surfaces. It is against federal law to use this product in a manner inconsistent with its labeling.

**Product Information:** An antimicrobial formulation that helps to lower the bio-burden and continuously protect treated surfaces from the colonizing of bacteria, mold, mildew and fungus for as long as the coating remains intact on a treated surface. Will remain active against germs until it is abraded from the surface. Use of a Blacklight flashlight will show a blueish glow when the product is present and active. Reapply as needed.

**For external use only.** FIRST AID - IF IN EYES - Hold eye open and rinse slowly with water for 15-20 minutes. Remove contact lenses after 5 minutes and continue rinsing. Call a Poison Control Center or Doctor for advice.

**Caution:** EYES: May cause irritation SKIN: May cause skin irritation through absorption  
INGESTION: Harmful if swallowed INHALATION: May cause respiratory tract irritation.  
**Physical Hazard:** Seek medical attention if swallowed.

**NOTICE:** Seller expressly warrants that the product conforms to its chemical description. There are no other warranties associated with sale of the product.
